Financial Sponsorships:

We understand that the cost of the conference may be completely or partly unaffordable for some workers. Even though we would love to be able to provide a way for everyone to come, this blessing will be based on the number of sponsorships donated. If you have financial supporters yourself, can I encourage you to promote our Pay-it-Forward option, particularly to help local Roma workers attend. If you have previously received a financial sponsorship, we encourage you to at least partially pay for your own registration for this conference, to allow other workers to also benefit from this blessing.

Can you Pay-it-Forward?

Can you donate **€105** (including administration costs and resources for the conference) (AUD\$165; USD \$120)? If yes, that will enable ONE Roma Worker to come for the whole conference, including accommodation and meals!

We are hoping to have at least **50** financial sponsorships available.

There are two steps to sign up to be a Financial Sponsor:

Step 1) Click <http://www.iteams.org.au/rwn2020> and follow the prompts to give your gift.

Step 2) Email rromaworkers.ro@gmail.com and tell us your name and location and that you've made your financial contribution via the International Teams Australia website.

Ministry presentations

It is a wonderful thing to share in fellowship and learn from our fellow brothers and sisters in Christ. Whether you feel your ministry is thriving or struggling, we all have scope to grow and strengthen our ministries as well as our own personal relationships with Christ.

At the conference, each team (or individual if you're not part of a team) will have the opportunity to share a **10-minute presentation (including translation)** on what your ministry currently looks like (team dynamics, regular and once off activities etc.). This will include sharing your hopes, vision and dreams for the next 2 years. We will also pray together for your ministry after your presentation.

Please come prepared. You may show videos and power points etc. (Presentations will be timed to ensure there is enough time for every presentation)

Resource Sharing:

There is a wealth of ministry programs, curriculums, printed materials, devotionals, websites etc. already available with regards to Roma ministry. We would love to be more effective in our ministries, and united as a network, and what better way than to share what we already have.

If you have any resources that you are willing to share with other Roma workers, please bring them along. We will make some tables available where you can display your materials for everyone to look at over the duration of the conference. You may want to provide an order sheet for any books etc. that you would like to sell.

Please note- this is NOT aimed to promote your organisation, but to equip and empower our fellow workers, so that we can all make Jesus known among Roma communities.
